The ultimate in portability and easy set-up our Stage System definitely steals the show! Versatile, strong and lightweight, our stage system consists of modular lightweight platforms and risers that can be combined to create customized stages in various heights, shapes and configurations. The Road Ready Stage System also features our unique internal locking system so you can be sure your stage is bolted tight and safe to use and each system can bear 900 KGS/square meter! To top it off, the whole stage folds up neatly into a optional Rugged ATA case so it's ready to hit the road. Go on feel free to take the stage!
