

SONY®

This rack-mountable twin reverse double deck comes equipped with Automatic Music Sensor™ and Remote Music Sensor for CD-like operation. Includes auto calibration (Deck B) and speed control (Deck A).

NEW

TC-WR565RM STEREO CASSETTE DECK

FEATURES

- ▶ **RMS for Convenient Programmed Play and Editing:**
Up to 28 songs (14 per side) can be programmed for playback on Deck A. When this function is in use, the level meter functions as a music calendar.
- ▶ **Auto Calibration:**
This smart feature automatically adjusts recording conditions to match tape characteristics, setting recording levels in accordance with bias levels and tape sensitivity.
- ▶ **Multi-Automatic Music Sensor:**
Included on both decks, Multi-Automatic Music Sensor™ helps you find the song you want as easily as with a CD player. This feature offers playback from the beginning of up to 30 songs.
- ▶ **Dolby® B/C and Dolby HX Pro:**
Dolby noise reduction systems provide high-quality recordings without unwanted hiss noise.
- ▶ **Supplied Rack Mount Adaptor for rack mounting**
