

Broadcast and  
Professional Company**DATE: APRIL 1, 2000****00-0057****TO: GENERAL AUDIO RESELLERS  
GENERAL RESELLERS****FROM: BOB TAMBURRI****SUBJECT: DISCONTINUATION: MDS-B6P**

Effective immediately, the following model will be discontinued:

<b>Product Name</b>	<b>Remaining Inventory (as of 3/14)</b>	<b>Replacement Model*</b>
<b>MDS-B6P</b>	5 "A" Stock, 6 "B" Stock	MDS-B5, MDS-E11

\*The MDS-B5 is a full-featured replacement for the MDS-B6P (with recording and duplication capability). The MDS-E11 is a more basic industrial model, but with PC control access to various functions. Proper model selection should be based on application.

If you have any questions, please contact your local Regional Audio Manager.

Good Selling,

Bob Tamburri  
Product Manager, Pro Audio  
Broadcast and Professional Company
