

Now, 20% more compact than previous CD Mavica models, Sony's MVC-CD350 Digital Still Camera features 3.2 megapixel effective resolution, 3X optical/2X Smart Zoom™ lens, and the ability to write to affordable CD-R/RW media. Capture exceptional still images and MPEG video clips directly to convenient CDs measuring only 8 cm in diameter. And your picture-taking will get all the benefits of Sony digital imaging technology, including 3-Area Multi-Point AF (Auto-Focus) for super-sharp focus every time, and Multi-Pattern and Spot Metering AE. You also get a selectable Confirm Before Write option that allows you to preview images before writing them to disc.
