

ARE YOU A READER?

Are you traveling this summer?

Do you read on a plane?

Going to the beach or the pool?

Want to take your favorite books with you?

Which option would you prefer?

Option # 1

42 lbs.

The Sony® Reader holds about 80 electronic books or hundreds more with a removable memory card. It's as easy to carry as a slim paperback and thanks to electronic paper, easy to read. And, using the included CONNECT™ Reader PC Software you can also enjoy reading more than just electronic books. You can transfer Adobe® PDF documents, BBkB Books, and other text file formats to the Reader. Browse and select from thousands of electronic book titles (US residents only) and other Web content for purchase and download. So compact and convenient, you'll want to take it almost everywhere.

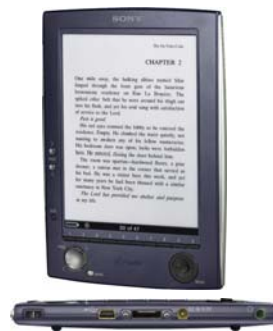

Option # 2

The Sony Reader

Can hold up to 80 books! *
