

Imagine the impossible

Imagine it. Then achieve it. New Vegas Pro 8 software provides you with the tools to accomplish what was once considered impossible - complete video and audio production in one application. It's the ultimate all-in-one environment for demanding creative professionals.

Vegas Pro 8's unique way of working with media has established it as the fastest-growing non-linear editing platform among producers who demand more. Its unique, progressive approach to video production, unrivaled audio control and powerful DVD authoring tools set it apart from other non-linear editors. Having established the benchmark for speed and ease of use, this new version moves the bar higher with additional features that offer increased power, functionality, and creative possibilities.

Now with ProType Titling Technology, multicamera editing, a comprehensive channel-based audio mixing console, Blu-ray disc burning, and superior 32-bit float engine processing - in addition to its robust support for HDV, XDCAM, 5.1 surround encoding, and 3D compositing - Vegas Pro 8 offers a never before imagined array of opportunities to reach your production goals.
