

The DSR-390L features three new type 1/2 inch 410K pixel Power HAD™ CCDs that result in high quality acquisition with increased sensitivity plus “FIT like” reduced vertical smear ratio of -115dB, 65dB S/N and a sensitivity of F13 at 2000 lux. In addition, the DSR390L comes with a fully operational i.LINK port. The i.LINK® provides Video, Audio, and Data OUT and VTR control IN allowing transfer from the camcorder to any editing or storage device. This provides compatible field capabilities when combined with DSR-DU1 HDD. The optional CA-370 Intercom Adaptor INCLUDES the Studio VF Mounting Kit.

Sony introduces the DSR-390L DVCAM Camcorder with Studio Capability

DSR-390L • Suggested List Price \$9,870.00 ▼
