

Key Features

- Specifically designed for Hotel/Hospitality use
- Supports High Definition and Standard Definition VOD/PPV systems
- Pro:Idiom™ compliant
- Space saving bottom speaker design
- 1366 x 768 HD Panel Resolution
- HDMI (High Definition Multimedia Interface) connection
- Audio Power Output: 14W (7W + 7W)

Key Technologies

Expandable Card Slot Supports ICS-SP30, a fully integrated HD video card for key hotel VOD providers. Pro:Idiom™ compliant. One slot can accommodate different sized option boards for video input, RS-232C/Control S communication, and optional BKM boards.

Hotel Setup Menu Special setup menu allows access to unique features for hotels and is hidden from guests.

Clone Setup Capability Saves time when all hotel TV's need the same configuration.

Color Design Twilight body color is unique to the KLH model and will fit any decor.

Built-in Speaker and removable table-top stand Built in speaker and removable table-top stand eliminate the need for add on items.

Small Footprint Under Speaker design allows minimal width so HDTV can be placed in existing furniture.

Multiple Inputs Two HDMI inputs, one analog PC input (HD15) as standard. Analog component input supplied through HD15 connector. Additional inputs are available through the use of optional BKM/ICS cards.
