Sony is announcing the discontinuation of the VPL-SC50U ultra portable SVGA LCD Projector.

MODEL	DESCRIPTION
VPL-SC50U	Ultra Portable SVGA LCD Projector

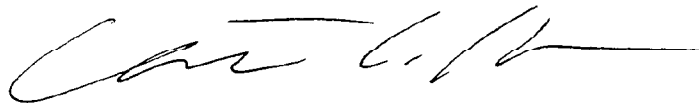

As of this date, there is no remaining "A" stock inventory.

There is no direct replacement for the VPL-SC50U.

The VPL-SC60U ultra portable projector will be introduced in the coming days. It is similar to the VPL-SC50U but with higher specifications and additional features when compared to the VPL-SC50U.

If you have any questions about the discontinuation of the VPL-SC50U ultra portable SVGA LCD Projector, please contact your local Distribution Account Manager.
