460 Presentation Audio Mixer

Affordable, Flexible A/V Mixer is the Backbone of your Boardroom

- Fully assignable inputs, two internal busses with dynamics and EQ, plus eight presets for maximum versatility and audio control.
- Two mono mic/line and four stereo line inputs mix to two stereo outputs
- Mono inputs may be linked and used as another stereo input pair.
- Stereo outputs may be configured independently as mono outputs.
 - * Up to 10 inputs total in mono mode!
- Two stereo inputs available as unbalanced RCA jacks for easy connection to semi-pro or consumer (-10 dBV) level devices.
