SX200 Series Accessories
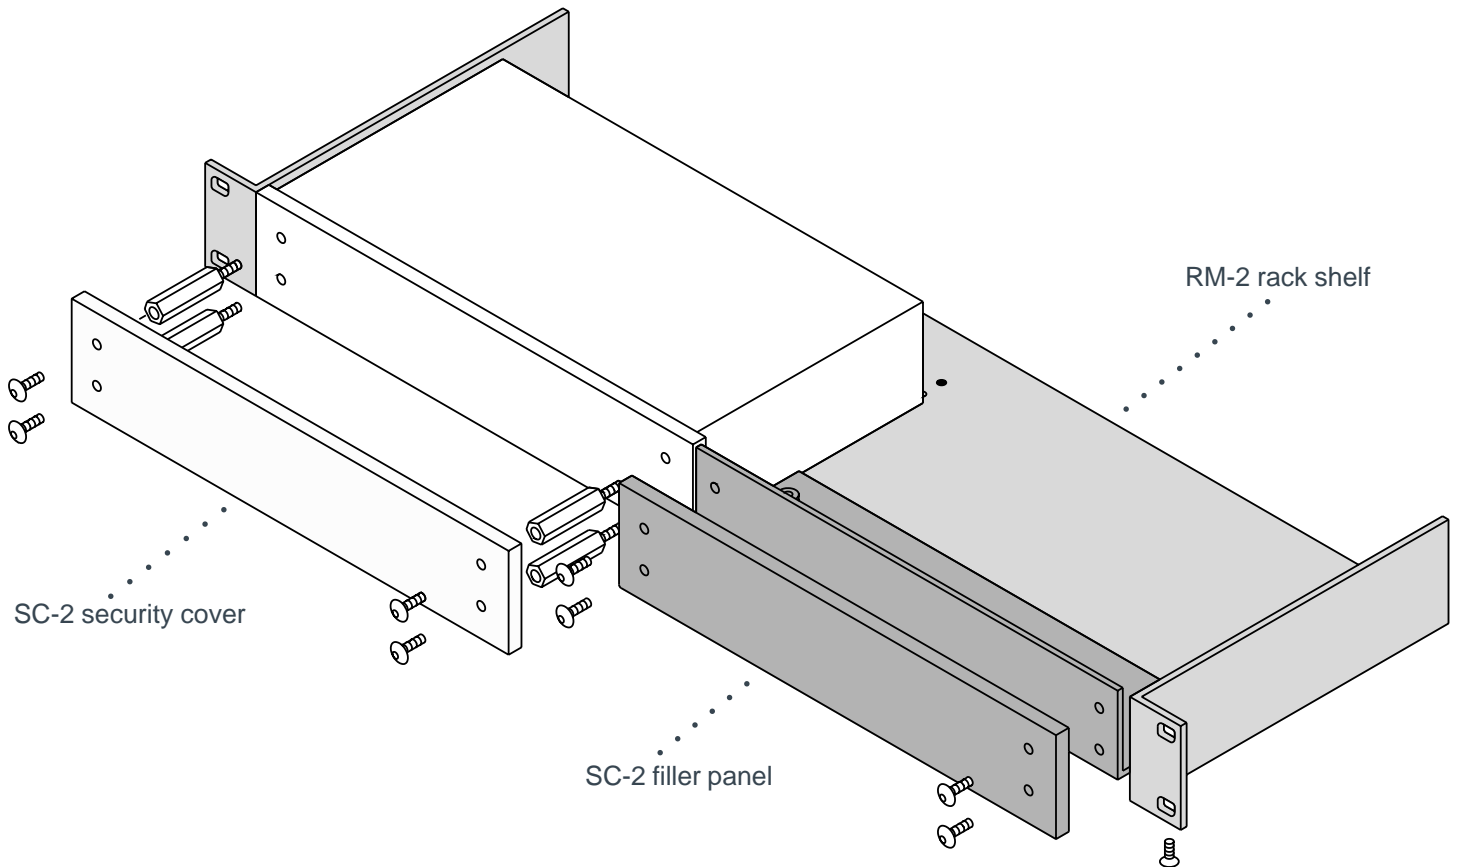

RM-2 rack shelf

SC-2 security cover

SC-2 filler panel

RM-2 rack shelf is drilled from flush front or recessed mounting of two SX200 series products in a single rack space. Mounting screws included.

SC-2 security cover/filter panel may be used as a tamper-proof cover plate with any SX200 series product, or as a blank filler panel with the RM-2 rack shelf. Includes panel, screws, stand-offs and "L" brackets.
