

If you thought  
the choice  
of intercoms  
was clear...

**BALANCED AUDIO**

**LESS NOISE**

**LONGER RUNS**

**BACKLIT BUTTONS**

**ALL METAL BELTPACKS**

**ADVANCED TECHNOLOGY**

Think again.

*Are communications critical to your events? Of course they are. So why are you still using an antiquated, unbalanced transmission system? Choose AudioCom®, the only intercom system to utilize state of the art balanced audio technology for clean, crisp communications every time.*
