A new accessory is available to order for the BTR-24 product line. The AB-24 is an antenna bracket that allows the user to remote mount the RA-3 or RA-7 2.4 GHz omni directional antennas. The AB-24 is shown below and is configured with an "L" mount bracket, mounting screw package (not shown), coax coupler and 6ft coax length.

Model	Part No	Product Description	US List
AB-24	302054013	AB-24 Antenna Mount Bracket for 2.4 GHz Omni Antennas w/ 6ft coax	\$ 55.00

If you would like additional information on the RadioCom™ series of wireless intercom products, please contact one of our Regional Sales Managers or our inside sales representative by calling 1-877-863-4169.

Best Regards,

Senior Product Manager
