**ViewSonic® Projectors** 

# **ViewSonic® Projectors**

#### Home theater projector

Get cinema-quality movies at home with ViewSonic's compacct and powerful Home Theater projectors. Your family can watch widescreen TV and video without a bulky TV in your entertainment center. The innovative six segment color wheel fills the room with rich, lifelike images.

Ultra-high contrast ratio and support for HD signals ensure you'll get the sharpest possible digital images. Optical zoom, keystone correction and a wireless remote put you in the driver's seat in the comfort of your own living room. Get ready for revolutionary home entertainment.

#### WPG-100 Wireless G Presentation Gateway

Designed to set your presentations free. The WPG-100 Wireless G Presentation Gateway lets you wirelessly connect your notebook or desktop PC to any projector. Fast animations and slide transitions ensure your presentation never misses a beat. Take your presentations anywhere with the 802.11 b/g connectivity and easily experience dynamic, interactive meetings without swapping cables. The downloadable software driver means you never need to install devices before a meeting and the WPG-100 supports any projector, LCD TV or large screen display with a VGA or DVI connector. Visit ViewSonic.com for full details and specifications.
