ViewSonic® PJ550 Projector

ULTRA-PORTABLE XGA PROJECTOR

High-performance at an exceptional value.

The PJ550 is the ideal ultra-light portable projector for anyone putting in time on the road. At a bright 1,200 lumens, this XGA projector delivers sharp images and rich color. True 1024x768 resolution (1280x1024 maximum) produces exceptional image quality for both data and video. The PJ550's short focal length and zoom offer versatility in any setting, and digital keystone correction assures professional presentations. Whisper-mode setting prolongs lamp life and makes the PJ550 an excellent investment value — ideal for the mobile presenter.

ViewSonic has the **best warranty** and **service support** in the business!

3-Year *Parts and labor limited warranty*

1-Year *Free Express Exchange®*

1-Year *Lamp warranty*

And we offer free 24/7 technical support† for the life of your Product, just in case.

High brightness and versatility.

⋯⟩**Ideal for mobile professionals.**

The PJ550 packs 1,200 lumens in just 5.3 lbs. It's the bright choice for the mobile professional who demands brilliant images in virtually any setting.

⋯⟩**Crisp, clear, flexible presentations.**

Offering HD capability, native XGA resolution (1024x768), and standard (4:3) and wide-screen (16:9) aspect ratios your images are crisp and clear, your presentation options unlimited.

Easy-to-use remote included.

⋯⟩**Whisper-mode extends lamp life and reduces noise output.**

Use the whisper-mode function to reduce noise output and extend the life of your lamp up to 4,000 hours*.

⋯⟩**The perfect image in any setting.**

Set up quickly, anywhere. Digital keystone correction, short focal length, and zoom function ensure the perfect size image in any meeting environment.
