

Cine5000

WIDESCREEN HOME THEATER PROJECTOR

WITH DARKCHIP2™ DLP® TECHNOLOGY

Bring entertainment home.

The ViewSonic® Cine5000 delivers a true HD home theater entertainment experience to even the most discriminating home theater enthusiast. The NATIVE 16:9 WIDESCREEN ASPECT RATIO is ideal for HDTV and movies as well as gaming. The Cine5000 combines state-of-the-art DARKCHIP2™ DLP® AND FAROUDJA™ DCDI TECHNOLOGIES with 1,000 lumens and 2000:1 contrast ratio (typ) to deliver a stunning visual experience to your home theater. The innovative six segment color wheel delivers vivid, rich colors. With multiple OptiSync® inputs, including HDMI with HDCP, you can connect your DVD player, game console and more for complete home entertainment. Get ready for revolutionary home entertainment.

UNMATCHED HDTV ENTERTAINMENT

- > **High definition home theater projector**
Enjoy a true high definition experience with support for 720p and 1080p HD signals.
- > **Texas Instruments DarkChip2™ technology**
Experience the visual impact of state-of-the-art DarkChip2 technology for the ultimate in clarity and high contrast video.
- > **Faroudja™ DCDi video processing technology**
Ensures exceptionally smooth video with no blurs or jagged edges.
- > **Advanced six segment color wheel**
The six segment color wheel delivers true colors for a rich lifelike visual experience.
- > **ClearPicture™ electronics deliver clearer, crisper, sharper images**
ClearPicture electronics eliminate noise, increase contrast and detail and optimize color for rich, vibrant images.
- > **OptiSync® technology featuring HDMI**
Versatile connectivity options including HDMI with HDCP (high-definition content protection) for all your entertainment components.
- > **Among the best warranties in the business**
Covered by a three-year parts and labor limited warranty, first-year Express Exchange® and 90-day lamp limited warranty.*
