Extend your entertainment.

...✦ Compact, space-saving design brings TV to any room in your home

The elegant, ultra-slim panel design is ideal for small spaces like under kitchen cabinets, on the garage workbench, or in the RV.

...✦ Advanced screen technology brings images to life

Advanced screen technology and super-fast video response time bring TV, video, movies and games to life with bright, saturated color.

...✦ Vivid colors and crisp images come alive

450 nits (typ) of brightness and a high 500:1 (typ) contrast ratio deliver vivid colors and sharp life-like images.

...✦ Plug-and-play connections add versatility

Easily connect TV and video entertainment devices such as DVD players, game consoles, VCRs and camcorders.

...✦ Multiple video input options

RCA, S-video and component video connections and audio connections let you enjoy video entertainment from a variety of sources.

...✦ Customized content control

Parental control and closed caption options allow you to customize your viewing experience.

...✦ Stereo audio built-in

Enjoy full stereo sound on your desktop or counter with two built-in 2.5-watt speakers. For theater sound, we suggest adding an optional NeoSat™ SP2104 2.1 speaker system.

...✦ Free industry-leading 24/7 customer support*

Technical support wherever, whenever, just in case.
