It's not just an LCD TV. It's a ViewSonic.

COMPLETE ENTERTAINMENT IN LESS SPACE

- > **Space-saving design brings TV into any room of your home**
The elegant, ultra-slim panel design is ideal for small spaces like on kitchen counters, on the garage workbench, or in the RV.
- > **Advanced ClearPicture™ screen technology brings images to life**
Advanced screen technology and super-fast 16ms video response time bring TV, video, movies and games to life with bright, saturated color.
- > **Vivid colors and crisp images come alive**
500 nits of brightness (typ) and a high 500:1 contrast ratio (typ) deliver vivid colors and sharp life-like images.
- > **Plug-and-play connections add versatility**
Easily connect TV and video entertainment devices such as DVD players, game consoles, VCRs and camcorders.
- > **Multiple video input options**
RCA, S-video and component video connections and audio connections let you enjoy video entertainment from a variety of sources.
- > **Customized content control**
Parental control and closed caption options allow you to customize your viewing experience.
- > **Stereo audio built-in**
Enjoy full stereo sound on your desktop or counter with two built-in 5-watt speakers. For theater sound, we suggest adding an optional ViewSonic NeoSat™ SP2104 speaker system.
- > **Free industry-leading 24/7 customer support***
Technical support wherever, whenever, just in case.
