

N3000w

30.0" (29.5" VIEWABLE) NEXTVISION® WIDE-SCREEN HD* LCD TV

WITH HIGH-QUALITY STEREO AUDIO BUILT IN

Incredible HD* widescreen.

ViewSonic's NextVision N3000w 30" (29.5" viewable) HD LCD TV delivers a DRAMATIC VISUAL ENTERTAINMENT EXPERIENCE. The ultra-thin, flat panel screen becomes the center of attention in a multitude of situations. Entice your tradeshow or boardroom audience with the dynamic design, rich, saturated color, and true 1280x768 resolution. One of the first of its kind to offer HDCP (high-definition content protection) capability, the N3000w is sure to keep up with evolving technology ensuring long-term compatibility. Integrated connections give you the BEST HIGH-DEFINITION TV IMAGE regardless if you are connected to your DVD, VCR, set-top box or camcorder. Dual TV tuners also give you full picture-in-picture (PIP) capability and great TV viewing features.

It's not just an LCD TV. It's a ViewSonic.

Full-function 44-key
remote control included

MORE VERSATILE FOR COMBINING ENTERTAINMENT AND INFORMATION

> **Experience wide-screen HDTV***

Enjoy wide-screen and high-definition TV with true 1280x768 resolution and XtremeView® angles for a higher quality image at virtually any angle.

> **Stunning TV, vivid graphics, sharp text**

Ultra-high brightness of 500 nits (typ) and a high contrast ratio of 500:1 (typ) bring you rich, saturated color images and crisp text.

> **Advanced ClearPicture™ image processing**

Integrated motion adaptive progressive scan, 3-D comb filter and 3:2 pull down give you a larger, clearer picture. Low level contrast enhancement brings clarity to darker images.

> **Connections for all your multimedia components**

Multiple inputs provide easy connection of video accessories. The integrated DVI-HDCP input gives you the best HDTV images regardless of your signal source and dual TV tuners offer full picture-in-picture (PIP) capability.

> **High-quality stereo audio built-in**

Four built-in stereo speakers deliver 20 watts of stereo sound to your multimedia presentations and entertainment. You'll also enjoy stereo audio through an external sound system.

> **Clear, fast-paced presentations**

Fast 16ms video response time keeps your presentations and video crisp and clear.
