

Discover the Beauty of ViewSonic's N4200w HD-ready LCD

MSRP \$1,999

Vibrant images. Ultra-clear sound.
Is it a TV or a window to another
world?

ViewSonic® – the leader in visual
display technology – introduces
the 42" N4200w HD-ready LCD for
your home entertainment.

- Multiple AV inputs allow you to hook up your DVD player, game console, camcorder, media center and more for complete home entertainment
- Subscribe to HD channels thru your local cable or satellite provider and your N4200w will deliver stunning HDTV to your living room
- Connect your PC to the N4200w and you can surf the Internet, chat with friends, play your music and even enjoy an online game on a big widescreen display
- Dual HDMI inputs let you connect all your electronic components with a single cable for both audio and video, ensuring the best possible digital signal for each component you connect. No more cable mess behind your beautiful display.
- ClearPicture™ image processing immerses you in vibrant colors, fine details and beautiful, lifelike video.
- Detachable speakers with SRS TruSurround™ sound complements the brilliant pictures with crisp, sharp digital surround sound.
- Wall mount sold separately.

Impress yourself. Impress your friends. Get your N4200w HD display today!
