

ViewSonic®

P70f CRT Display

The P70f offers the perfect blend of style and performance.

The ViewSonic 17.0" (16.0" viewable) P70f CRT, combines innovative features for an excellent front-of-screen experience with an elegant metallic-on-black design. ViewSonic's award-winning PerfectFlat screen technology renders brilliant, precise edge-to-edge images with sharp focus and fine text without distracting horizontal damper wires. Additional features include a new one-touch, auto-adjust function for instant screen sizing and positioning, an OSD lock function and flicker-free maximum resolution of 1600x1200 at 77Hz. Pair the P70f with ViewSonic's ViewMate™ keyboard for a signature desktop look.

- **0.24mm stripe pitch**

This ultra-fine stripe pitch produces clear, crisp images with rich, vivid color, without having horizontal damper wires.

- **1600x1200 maximum resolution**

Displays a maximum resolution of 1600x1200 at 77Hz flicker-free refresh rate for easy-on-the-eyes viewing.

1600x1200 @ 77Hz

1280x1024 @ 89Hz

1024x768 @ 118Hz

800x600 @ 148Hz

- **PerfectFlat® screen**

The absolute flat screen provides realistically proportioned, precise images with reduced reflection, image distortion and eye fatigue.

- **Elegant two-tone design**

The contemporary metallic-on-black design complements both home and office computing environments. This two-tone design is a perfect match to your black-case computer.

- **SuperContrast™ screen**

Glass with a low transmission rate assures bright, bold colors.

- **One-Touch Auto-Adjust function**

Size and position automatically adjust with the touch of a button, maximizing the screen at any resolution.

- **OSD lock**

Prevents accidental misadjustments of OnView® controls to maintain optimized image quality.
