## VE155/VE155b LCD Display

### This 15" LCD display works hard and looks good.

An excellent upgrade from CRTs, the ViewSonic VE155 and VE155b 15.0" LCD displays use up to 75% less desk space and feature a high brightness of 250 nits (typ) and a 400:1 contrast ratio (typ), producing crisp text and vivid colors. Additional features include a native resolution of 1024x768, AutoTune function, OSD and power button lock functions, integrated power supply, and a slim, compact design with a folding base for easy wall mounting. Easy on the environment and the budget, the VE155 and VE155b are an ideal choice for small home offices, corporate, education and government users.

- **Full 15.0" viewable screen**

Displays a full, flat 15.0" viewable area with crisp detail and fully saturated color.

- **1024x768 optimum resolution**

Displays a native resolution of 1024x768 for outstanding image detail. Automatically scales lower resolutions to fill the screen.

- **250 nits of ultra-high brightness (typ)**

- **400:1 high contrast ratio (typ)**

- **AutoTune® function**

Automatically monitors video input and optimizes display settings without requiring user adjustments.

- **OnView® controls including ViewMatch® feature**

Customize image adjustments and color temperature via an on-screen menu using simple controls.

- **OSD/Power lock function**

When activated, the user-controlled OSD/Power lock function prevents changes to monitor settings, maintaining an optimized image.

## VE155/VE155b LCD Display

VE155 beige case version.

- **Fold-up base for wall mounting**

The compact base folds up 90° for VESA®-compliant wall mounting, making conversion between desktop and wall mount applications easy.

- **ViewSonic Wizard**

This software provides user-friendly installation.

- **Kensington® security port**

Protect your assets by adding an anti-theft cable (optional) to this attachment point.

- **TCO and ENERGY certified**

- **PC and Mac® compatible**

- **Three-year limited warranty**

- **Turn your LCD into a high-resolution TV**

Hook up favorite extras like a DVD, gaming console, VCR or digital camera with ViewSonic's video processing box.
