# ViewSonic®
ViewPad 1000

ViewPad™ Series

The power of a fully functional PC in the tablet form factor
- Performance optimized for mainstream mobile computing use.
- Brings the ease of use of pen and paper to mobile computing.
- Weighs about 4 pounds.

Multiple connectivity features
- Includes built-in support for wireless, wired and dial-up networking.
- Includes wireless keyboard with integrated pointing device.
- Optional ViewPad 1000 Dock adds one-touch access to common computer peripherals, local area networks, integrated CD-ROM and AC power adapter.

Take color pictures or record videos on the go
- The integrated camera enables you to add photos and video clips to presentations, documents and e-mail.

High resolution 10.4" SVGA touch-screen color display
- Delivers bright, crisp images providing a rich multimedia experience.
- Includes Pivot® software, enabling you to view the screen in portrait or landscape modes.

ViewPad 1000 — Your office, only more portable.

The ViewPad 1000 is a network-ready PC in the tablet form factor featuring built-in WAN, LAN and Wi-Fi™ wireless connectivity.* The ViewPad 1000 is ideally suited for value-added resellers and system integrators selling mobile vertical market applications. This innovative device offers mobile access to information whether you're in the office or on the road. And with its built-in digital camera, you can capture, send and receive live images from anywhere. The 10.4" high-resolution touch screen allows easy navigation. And at just 4.3 pounds, you can bring your office with you.
