Brilliant wide-screen entertainment.

••• **Bright and beautiful at any angle**

1000 cdm2 brightness (typ) and 1000:1 (typ) contrast ratio ensure your images are brilliant, vivid and life-like. The flat screen and anti-glare screen coating eliminate image distortion and reflection for a stunning picture at any angle.

••• **Image is everything**

Delivers bright, well saturated video images. 1366x768 resolution shows every detail, making movies, TV and pictures crystal clear.

••• **Multiple window capability**

Picture-in-picture and split-screen capability keep you in control – allowing you to enjoy a movie while checking your local news or watching the game.

••• **Multimedia stereo audio**

BBE® sound maximizer delivers surround sound capability and an audio out connection that allows you to connect your TV to an external stereo system.

••• **Improve your view**

The anti-glare screen optimizes your viewing experience in virtually any setting.

••• **Ready to go out of the box**

Includes built-in TV tuner, multiple TV and video inputs and all cables. View VHF/UHF and CATV or enjoy true HDTV.

••• **Free 24/7 technical, customer support and on-site service†**
