Using Your Telephone

Due to the flexibility built into the system, your Dialing Codes and Feature Capacities may differ from those in this guide. Check with your communications manager and make a note of any differences.

The **Soft Keys** provide quick and easy access to features - just follow the menu on the display (not available on all models).

The **Alphanumeric features** and tell optional Caller your caller’s nu

These **Volume Controls** are for ringing calls (not available on all models).

If you’re on a Handsfree Call (see **Handsfree Options** below), lift the **handset** for privacy.

**MW** flashes when you have Messages Waiting. If you don’t have a Voice Mail key, it also flashes when you have Voice Mail messages left in your mailbox.

Press **CALL1 then LND** to automatically redial the last number you called. Press **CALL1, DIAL** and dial a bin number for Common Abbreviated Dialing.

While on a call, press **CONF** to set up a Conference. This key may be TRF on some models.

These **Volume Controls** are for speaker and handset. For phones without the volume switch, this also controls the volume for ringing calls.

• **Handsfree** let you must have
• **Monitor** lets you
• **With Automatic** the handset. You Handsfree or M
• **Use Handsfree** toward your ph
The Alphanumeric Display helps you use features and tells you about your calls. With optional Caller ID, a ringing line may show your caller’s number and name.

Press a One-Touch Key for one-button contact with co-workers and outside callers, or when using certain features. Ask your communications manager.

These are and/or keys. See Programming Function Keys for more on setting up these keys.

Dial D (3) to select a call from a list of names. See Directory Dialing for more.

Line Appearance Keys are Intercom keys for placing and answering calls. If you’re busy on one – just use the other.

Enable Do Not Disturb to block your calls when you don’t want to be interrupted. This key will also flash when Call Forwarding is activated.

Press for Handsfree calls, or use the handset instead. See Handsfree Options below. While on a handset call, press SPK once for Handsfree; twice for Group Listen.

The Microphone picks up your voice for Handsfree calls. Press MIC to turn off the microphone.

Handsfree Options

- **Handsfree** lets you place and answer calls by pressing instead of using the handset. You must have a speakerphone to have Handsfree.
- **Monitor** lets you place a call without lifting the handset, but you must lift the handset to speak.
- With Automatic Handsfree, you can press a line or Line Appearance key without lifting the handset. You may have to lift the handset to speak, depending on whether you have Handsfree or Monitor. Normally, you have Automatic Handsfree.
- Use Handsfree Answerback to answer a voice-announced Intercom call by speaking toward your phone — without lifting the handset.
Placing Calls

Placing an Outside Call...

1. (Optional) Lift handset.
2. \[\text{Press a line key for quick access:}\]
   - \[\text{+ Listen for dial tone + Outside number.}\]
   - \[\begin{itemize}
   \item You can have function keys for lines or line groups.
   \item If your system is behind a PBX, you may have to dial 9 before your number.
   \end{itemize}\]

**OR**

1. (Optional) Lift handset.
2. \[\text{Dial codes for outside lines:}\]
   - \[\text{+ Outside number.}\]
   - \[\begin{itemize}
   \item \text{Line group (1-9, 01-99 or 001-128) + Outside number.}\n   \item \text{Line number (e.g., 05 or 005 for line 5) + Outside number.}\n   \end{itemize}\]

Calling a Co-Worker...

1. (Optional) Lift handset.
   - \[\text{For one-touch calling, press a Call Coverage or Hotline function key instead of going on to step 2.}\]
2. \[\text{Dial using the Intercom:}\]
   - \[\text{Dial codes for outside lines:}\]
   - \[\text{Press a line key for quick access:}\]
   - \[\text{+ Outside number.}\]
   - \[\begin{itemize}
   \item Your call will ring or voice-announce.
   \item If you hear ringing, wait for an answer.
   \item If you hear two beeps, begin speaking.
   \item Dialing 1 changes mode.
   \item For your Voice Mailbox, dial \[\#8.\]
   \item For Paging, dial \[\#1 + 0 for All Call or \#1 + 1-64 for zones.\]
   \end{itemize}\]
If your call doesn’t go through . . .

**Camp On and Callback**

When you hear system busy, use Camp On or Callback:

1. **#2** to Camp On (wait without hanging up).
   • (Intercom calls) When you hear ringing, wait for the called party to answer.
   If you hear busy/ring instead of busy before camping on, you can optionally dial 6 to send a Voice Over.
   • (Outside calls) When you hear new dial tone, place your call again.

   OR

1. **#2** and hang up to leave a Callback for a free line or extension.
   • Wait for the system to call you back.

2. **#** or lift handset.
   • (Outside calls) Place your call again.
   • (Intercom calls) Speak to co-worker.

To cancel your Callback:
1. (Optional) Lift handset.
2. **CALL1** + **8** + **7** + **0** + Hang up.

**Message Waiting (Direct Messaging)**

Leave a Message Waiting (flashing MW key) when your co-worker doesn’t answer:

1. Do not hang up + **0**.
   • Your co-worker’s MW flashes fast.
   • Your MW is lit.
   • With Voice Mail, dial 8 to leave a message in your co-worker’s mailbox.

To answer a Message Waiting left for you:

1. **CALL1** + **0** + **0**
   • To cancel Messages Waiting (those you left and those left for you): CALL1 + 873.
Answering Calls

Answering Outside Calls . . .

1. or lift handset.
   • Press line or loop key if not connected.

Answering Intercom Calls . . .

1. Speak toward your phone.
   • You can lift the handset for privacy.
   • If you hear one long ring instead, press SPK or lift handset to answer.
   • CALL1 + 823 makes incoming Intercom calls ring your phone. CALL1 + 821 makes them voice-announce.

Picking up calls not ringing your phone . . .

1. or lift handset.
2. + 

   1. or lift handset.
   • You can press a Group Call Pickup or Call Coverage function key instead of step 2.

When a call is ringing a co-worker’s phone:

1. or lift handset.

   • You can press a Group Call Pickup or Call Coverage function key instead of step 2.

2. + Co-worker’s extension.

Have a telephone meeting (Conference) . . .

1. Place/answer call + CONF.
2. Place/answer next call + CONF.
   • Repeat this step to add more parties. You may be able to have up to 32 callers.
3. After adding all parties, press CONF again to begin the Conference.
Handling Your Calls

Your call can wait at your phone . . .

**Hold**

1. Do not hang up + **Hold**.
   - This puts your outside call on System Hold. Your co-workers can take the call off Hold. **To place the call on Exclusive Hold, press your Exclusive HOLD function key.**
   - Intercom calls automatically go on Exclusive Hold when you press HOLD.

Use Hold instead of leaving the handset off-hook:

1. **Talk** or lift handset.
2. Press flashing **Line**.

OR

2. if the call was not on a line key (or was an Intercom call).

Easily retrieve a call from Hold:

1. **Talk** or lift handset.
2. Press flashing **Line**.

Send (Transfer) your call to a co-worker:

1. Do not hang up + **Hold**.
2. Dial your co-worker’s extension.
   - *You can press a One-Touch key instead of dialing your co-worker.*
   - *To transfer the call to Voice Mail, press your Voice Mail key before dialing your co-worker.*

OR

3. **Direct** (Hotline).
Park a call in orbit

1. Do not hang up.

2. \( \text{HOLD} + \text{6} + \text{Park Orbit.} \)
   - Park Orbits are 1-64. For Personal Park, dial 857 instead of #6.

3. Page your co-worker to pick up the call.
   - For Paging, dial \( \text{81 + 0 for All Call or 81 + 1-64 for zones.} \)

4. Hang up.

   1. (Optional) Lift handset for privacy.

   2. \( \text{Dial Call Forwarding condition:} \)
      - 1 = Personal Answering Machine Emulation (then skip to step 4).
      - 2 = Busy or not answered.
      - 4 = Immediate.
      - 6 = Not answered.
      - 7 = Immediate with both ringing (not for Voice Mail).
      - 0 = Cancel.

   3. Dial destination extension, Voice Mail master number or press Voice Mail key.

   4. Dial Call Forwarding type:
      - 2 = All calls
      - 3 = Outside calls only
      - 4 = Intercom calls only
      - **DND** flashes slowly. A voice prompt may remind you that your calls are forwarded.

Or pick up a call a co-worker parked for you:

1. \( \text{Dial Call Forwarding condition:} \)
   - 1 = Personal Answering Machine Emulation (then skip to step 4).
   - 2 = Busy or not answered.
   - 4 = Immediate.
   - 6 = Not answered.
   - 7 = Immediate with both ringing (not for Voice Mail).
   - 0 = Cancel.

2. Dial destination extension, Voice Mail master number or press Voice Mail key.

3. Dial Call Forwarding type:
   - 2 = All calls
   - 3 = Outside calls only
   - 4 = Intercom calls only
   - **DND** flashes slowly. A voice prompt may remind you that your calls are forwarded.

Forward (reroute) your calls to a co-worker . . .
Placing Calls Quickly

Automatically redial calls . . .

**Last Number Redial**

Quickly redial your last outside call:

1. (Optional) Lift handset.
2. \[ \text{Dial} + \text{Line} \]
   - The system selects an outside line.
   OR
2. \[ \text{Line} + \text{Line} \]
   - The call uses the line you select.

**Save**

Save your call for quick dialing later on:

1. \[ \text{Dial} \] (Save).

Then redial your saved number:

1. (Optional) Lift handset.
2. \[ \text{Dial} + \text{Dial} \] (Save).
   - The system selects an outside line.
   OR
2. \[ \text{Line} + \text{Dial} \] (Save).
   - The call uses the line you select.

Quickly dial co-workers and outside calls . . .

**One-Touch Calling**

Use One-Touch Keys to save time calling co-workers:

1. (Optional) Lift handset + \[ \text{1-Touch} \].
   - You can have One-Touch Keys for Direct Station Selection, Personal Speed Dial (outside calls) or feature codes. See Programming One-Touch Keys.
Abbreviated Dialing (Speed Dial)

Store Common or Group Abbreviated Dialing numbers:

1. (Optional) Lift handset.
2. ▶ + 8 5 3 (for Common).

OR
2. ▶ + 8 5 4 (for Group).

3. Dial Abbreviated Dialing bin number.
   • Ask your communications manager for your bin numbers.

4. Dial phone number to store + HOLD.
   • The number can be up to 24 digits, using 0-9, # and *. Press MIC to enter a pause.

5. Enter the name for stored number + HOLD.
   • See Entering Names below.

To dial your stored Abbreviated Dialing number:

1. (Optional) Lift handset.
2. ▶ + 2 + Bin (for common).

OR
2. ▶ + 4 + Bin (for group).
   • You may also have function keys for Abbreviated Dialing.

Entering Names
When entering names, use One-Touch Keys to enter letters. For example, press One-Touch Key 1 once for A, twice for B, three times for C, and four times for D.

| 1 = A-D | 4 = M-P | 7 = Hyphen |
| 2 = E-H | 5 = Q-T | 8 = Space  |
| 3 = I-L | 6 = U-Z | 9 = Symbols|

10 = Punctuation

• Use the dial pad digits to enter 1-9, # and *.
• CONF deletes entries.
• CHECK saves the One-Touch entry after you select it. (You don’t have to press CHECK after dial pad entries.)
### Quick Reference for Other Features

**Do Not Disturb:** DND + 1 to block your outside calls OR 2 to block Paging. Intercom calls. Call Forwards and transferred outside calls OR 3 to block all calls OR 4 to block Call Forwards OR 0 to cancel.

**Name Storing:** CALL1 + 800 + Name (See Abbr. Dialing) + HOLD.

**Memo Dial:** While on a call, store a number for easy recalling. Memo Dial function key + Number to store + Memo Dial key to save. To dial number: Memo Dial key + Line key.

**Meet Me Conference:** To set up a telephone meeting: While on a call, CONF + Page party and announce zone + CONF twice when co-worker answers. To join: CALL1 + 864 + Announced zone.

**Park and Page:** To have your phone greet your callers and Page you: CALL1 + 800 + Name (See Abbr. Dialing) + HOLD. Name Storing: To set up a telephone meeting: While on a call, CONF + Page party and announce zone + CONF twice when co-worker answers. To join: CALL1 + 864 + Announced zone.

**Meet Me Conference:** To set up a telephone meeting: While on a call, CONF + Page party and announce zone + CONF twice when co-worker answers. To join: CALL1 + 864 + Announced zone.

**Personal Greeting:** To have your phone greet callers and forward your calls: CALL1 + 800 + Name (See Abbr. Dialing) + HOLD. Name Storing: To set up a telephone meeting: While on a call, CONF + Page party and announce zone + CONF twice when co-worker answers. To join: CALL1 + 864 + Announced zone.

**Repeat Redial:** To automatically redial your outside call if it’s not answered: Place outside call + Repeat Redial function key (or DIAL + LND) + Hang up + Lift handset when call goes through. To cancel: DIAL + LND or press Repeat Redial key.

**Time/Date:** CALL1 + 828 + time/date password (usually 0000) + 2 digits for year + 2 digits for month + 2 digits for day + day of week (0=Sunday, 6=Saturday) + 2 digits for hour (24 hour format) + 2 digits for minutes + CALL1 to hang up.

### Directory Dialing

At your display telephone, select a co-worker or outside call from a list of names (rather than dialing the phone number):

1. 3 or 4 (Directory Dialing).
2. Dial Directory Dialing type:
   - 2 (C) = Common Abbreviated Dialing.
   - 3 (D) = Group Abbreviated Dialing.
   - 7 (P) = Your One-Touch Keys (1-10).
   - 9 (X) = Co-worker’s extension numbers.
3. Dial letter/number range for the party you want to call (e.g., dial 2 for A, B, C or 2).
4. Dial the digit for the letter/number selected above (e.g., 1 for A, 2 for B).
5. Press volume ▲ or ▼ to scroll through the list.
6. or lift handset to place call.
### Programming One-Touch Keys

To program: CALL1 + 855 + Key + Number + HOLD + Name (see Entering Names under Abbreviated Dialing) + HOLD.

<table>
<thead>
<tr>
<th>Function</th>
<th>Code</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>DSS</strong></td>
<td>Enter Co-worker’s extension number + SPK to hang up.</td>
</tr>
<tr>
<td><strong>Personal Speed Dial</strong></td>
<td>Enter 9 + Outside number or Enter 804 + Line group number (1-9, 01-99 or 001-128) + Outside number or Enter #9 + Line number (e.g., 05 or 005) + Outside number + SPK to hang up.</td>
</tr>
<tr>
<td><strong>Service Codes</strong></td>
<td>Enter Service Code + SPK to hang up. For example, you can make a Save Number Clear key by entering 885.</td>
</tr>
</tbody>
</table>

### Programming Function Keys

To program: CALL1 + 851 + Key + Code + Optional Data.

<table>
<thead>
<tr>
<th>Function</th>
<th>Code</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Call Forwarding</strong></td>
<td>Enter 1080 for Call Forwarding to extension or Voice Mail (the same as dialing *2). Enter 1081 for Selectable Display Messaging, Call Forwarding Off Premise and Personal Greeting/Park and Page (the same as dialing *4).</td>
