

THINK PAYING FOR CDS HELPS MUSICIANS ?

Source: <http://www.negative/land.com/albini.html>

THINK AGAIN.

The BIG 5 (Sony, EMI, BMG, Universal, & Warner Bros.) have been screwing artists for decades. The time has come for CHANGE.

STOP buying CDS, KEEP downloading free music, BURN CDS for friends, family, and co-workers, SUPPORT independent labels and musicians. ONLY YOU can end the corruption of the cartel and make way for a better system
